

A blue-toned illustration of a boy in bed at night. The boy is tucked under a blanket, looking up with a worried expression. Behind him, a large, dark shadow of a creature with multiple arms and a glowing red face looms over the bed. The room is dimly lit, with a bedside table holding a lamp and an alarm clock. A window in the background shows a dark night sky.

Když se malý chlapec uprostřed noci probudil, posadil se na posteli a pak... uviděl **příšeru**.

Chlapec zaječel!

A příšera zaječela také.
