

Úkoly na podzim

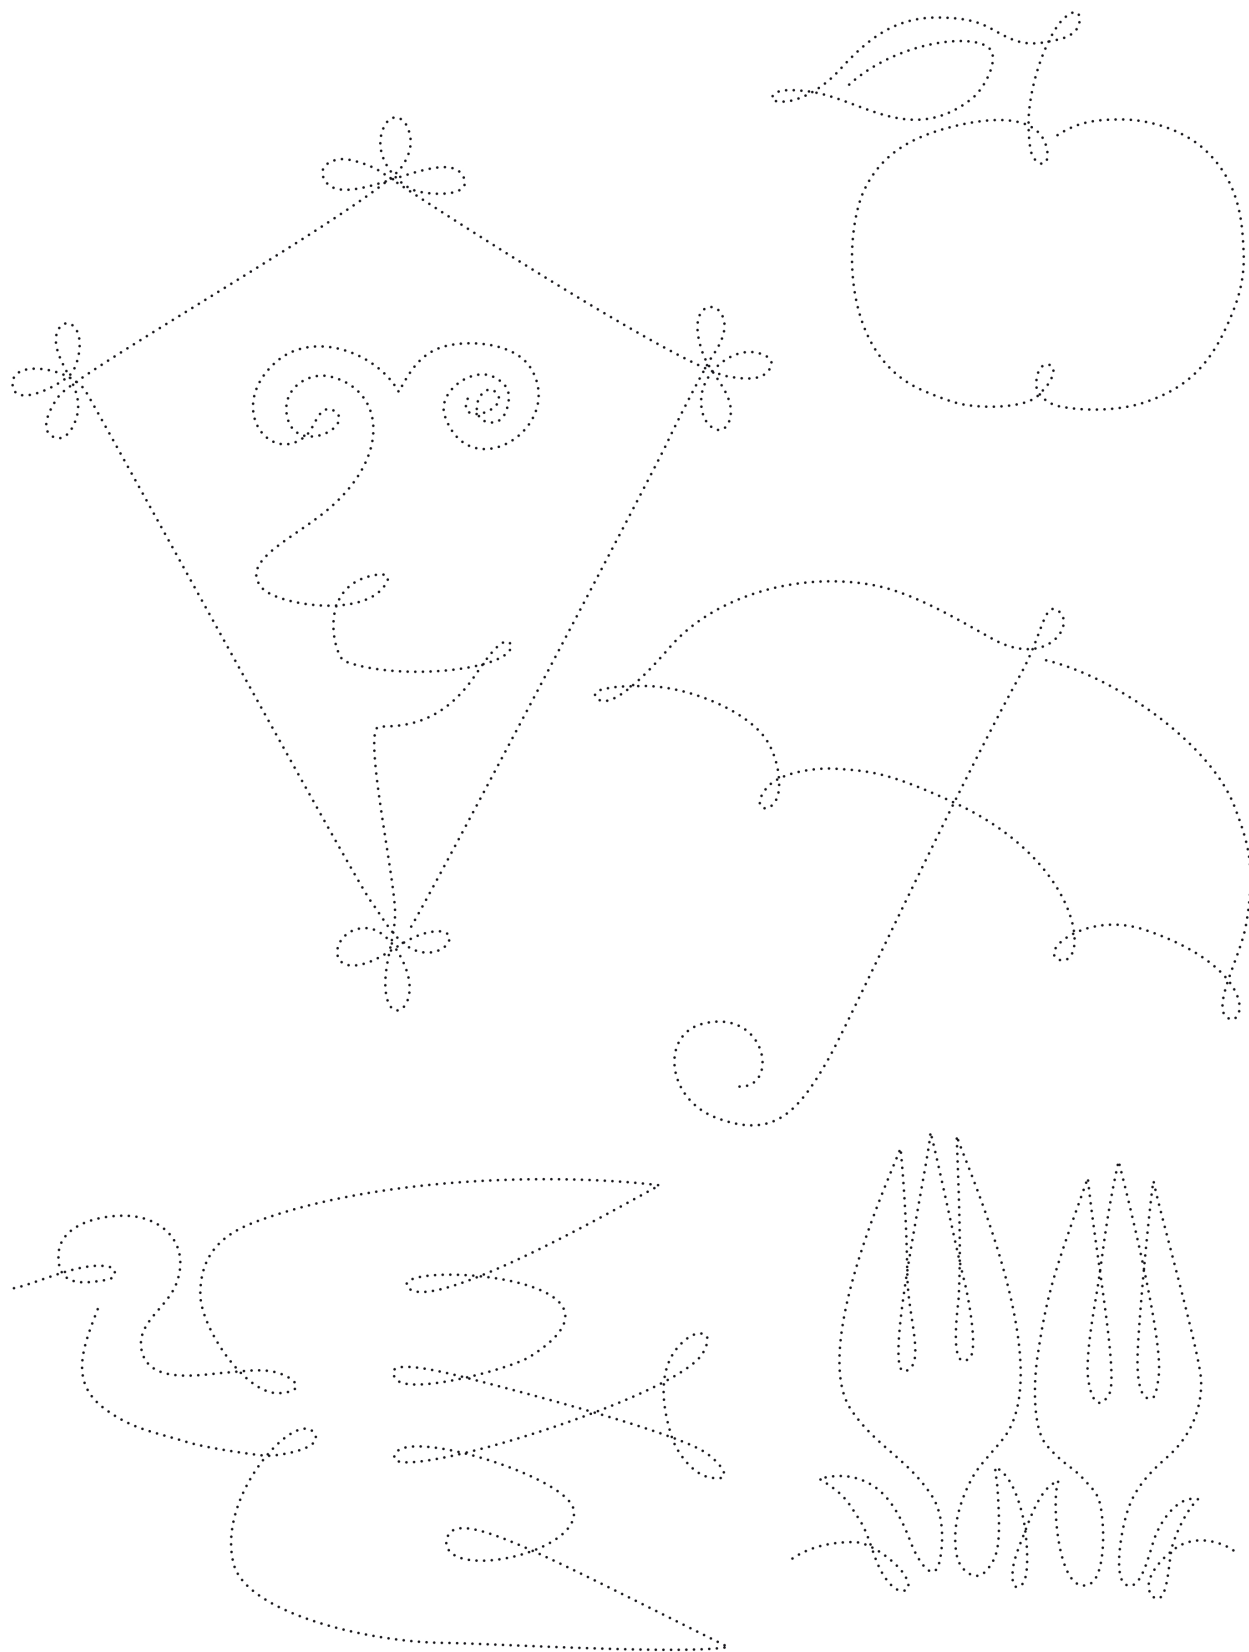

Vyprávěj o podzimu a o tom, co na podzim děláme.

Pojmenuj druhy ovoce a zeleniny. Do košíku patří ovoce a do bedýnky patří zelenina. Spoj čarou a dokresli košík a bedýnku.

Obtáhni každý obrázek tužkou. Co je na obrázcích? Vybarvi je nakonec pastelkami.

Prohlédni si obrázek a řekni, co na něm vidíš. Potom zapiš pod malé obrázky tolik čárek, kolikrát tyto věci najdeš na velkém obrázku.
