

A watercolor-style illustration of a dark forest at night. In the foreground, a fox with a white patch on its face and a red-orange body holds a small brown dog in its arms. The dog is wearing a pink dress. They are surrounded by large, textured tree trunks and branches. A small white mouse is visible near one of the trunks. The sky above is filled with blue and white clouds.

Líštička sa stratila

Líštička sa vybrala do lesa a ani si nevšimla, že sa zatúlala prid'aleko. Zvečerilo sa a na krajinu padla tma.
„Kde to som? Stratila som sa... Chodníček domov nevidím a les je taký strašidelný!“
Pri každom zvuku líštička od ľaku až poskočí.
